EDUCATION

- 2011-2013** **Lamar University** *Beaumont, TX*
Focus was a major in psychology to become a physical therapist
- Stepped away from school to pursue opportunity at Home Zone
- 2016-2022** **Lamar University** *Beaumont, TX*
Bachelor of Science in Computer Science
- Continued my pursuit of becoming a physical therapist until 2019
- I then decided to go for computer science instead, graduating in 2022.

EMPLOYMENT

- 2015-2016** **Maycom Technology / Installation Technician**
Installed entertainment/security/network equipment in homes and businesses in the Beaumont, TX area.
- 2014-2015** **Home Zone Furniture / General Manager**
Managed a furniture store of around 10 employees in Waco, TX.
- 2007-2011** **United States Air Force / Aerospace Maintainer**
Worked under superiors to provide specialized maintenance to the B-1B Lancer aircraft at Dyess AFB, TX.

OTHER

Experience building/disassembling computers due to the desire to create my own custom computers every couple of years.

Experience creating a website for a food truck in North Carolina (www.225eats.com).

Coding experience in Java, C++, JavaScript, HTML, and CSS. Projects are shown in the web portfolio.

Familiar with Visual Studio, Eclipse, Godot, GitHub, and Microsoft Teams.

Proficient in Microsoft Word, Excel, Power Point, and Outlook.
